### 2016 Salute to Valor Donation

2016 Salute to Valor Banquet Silent Auction March 5, 2016

To whom it may concern,

The Wichita, KS based Commemorative Air Force (CAF) Jayhawk Wing is hosting our annual fundraiser event on Saturday March 5, 2016. The CAF is a 501(c)(3) non-profit corporation. This heritage organization is dedicated to the historic preservation and flying of restored World War II Combat Aircraft, and to the memory of those who flew, built and maintained them. We are forever indebted to all of them for protecting and preserving our freedoms and our way of life. Lest we forget!

Locally this means that we provide a number of programs to the community along with keeping our UC-78 Bobcat (Wichita built) twin aircraft and PT-23 aircraft in the air. We provide military funeral flyovers at no charge to the family. Our Veteran's Lectureship is a free program in which three WWII bomber pilots speak to different groups and school children in our community. Our aircraft also travel to air shows and perform parade flyovers to show the public their military aviation history.

How can you help? We are currently collecting donations for the silent and live auctions which will be held at our fundraising event. Vendors who donate an item or gift certificate will have a chance to have business cards or pamphlets on display along with their donation. This is an opportunity for your business to gain exposure among local Wichita residents. Any donation large or small is welcome. You will also receive a written thank you as a record of your donation.

Thank you,  
Phyllis Sears
